

Canadian Hydrographic Association

Student Bursary

Three Bursaries to be Issued per Year

\$2500/Award

1. The applicant must be a full time Canadian or permanent resident enrolled in an accredited post-secondary program in the field of Geomatics with a hydrographic and/or a marine cartographic component, or enrolled in an *International Board on Standards of Competence for Hydrographers and Nautical Cartographers* (IBSC) recognized Category A or B program.
2. The bursary will be available to college (including collège d'enseignement général et professionnel - CEGEP) and students in a degree (bachelor or master) or diploma program in the hydrographic or a closely related discipline.
3. The applicants will be required to submit a transcript or copy of their most recent post-secondary marks at the time of application. The marks must indicate an academic average of 70% or higher.
4. Applicants must submit one letter of reference from an official of the university or college most recently attended. This letter of reference must include the address and phone number of the official.
5. Bursary applications are to be submitted by June 30th.

6. The value of the bursary is \$2,500 each and only successful applicants will be notified.
7. Successful applicants will be issued a CHA Certificate and have their name mounted on a perpetual winners' plaque. A picture of the plaque, duly inscribed, will be provided to the winner along with a \$2,500 cheque sent by mid-August.
8. A student may receive the bursary once only.
9. Successful applicants are requested to provide a letter of appreciation and a photo which will be published on the CHA website.
10. Applications will be made on the form downloaded from the CHA website at www.hydrography.ca.
