

Canadian Hydrographic Association (CHA) Central Branch *is hosting the* 2002 – Coastal Multibeam Sonar Training Course

We are pleased to announce that during the week prior to the *Canadian Hydrographic Conference 2002*, CHA Central Branch will be hosting a Coastal Multibeam Training Course in Burlington, ON. The course will be held May 22 through 27 at the Travelodge Hotel, downtown Burlington. This course, which will be given by Drs. John Hughes Clarke, Larry Mayer, David Wells and Christian deMoustier, continues what has become one of the best sources for multibeam sonar training worldwide. Although the six-day course will be mostly intensive classroom oriented, time will be allocated for on-the-water demonstrations.

Course fee (includes textbooks, lunches and breaks): \$4995 CDN (\$4795 before February 28th, 2002). Non-government members of the Canadian Hydrographic Association and The Hydrographic Society of America (THSOA) will benefit from the following discounts on the cost of registration:

Regular Members: \$ 50 reduction
Sustaining/Corporate Members: 10% reduction

Non-member companies or organizations sponsoring two or more registrants will receive a 5% discount on the cost of registration.
